

Goring Thames Sailing Club

GTSC Competitive Sailing Development Fund

Summary

The Committee will hold a fund of £500 per annum as a Competitive Sailing Development Fund. GTSC members can apply to this fund, which will be open for applications twice a year, for an award to support their competitive development in sailing. Awards will be primarily for those attending national and international events, where real effort has been demonstrated by the individual. Successful applicants will be expected to take steps to inspire other sailors at GTSC to strive to achieve similar results. The fund will be reported on at the AGM each year. There is no requirement upon the Club to issue any awards, if no applications are received or if they are without merit.

The funds can be used by the applicant for whatever is needed, including entry fees, kit etc. Priority will be given to those who can demonstrate participation in external events and who are already active supporters of sailing at GTSC.

How it works

Those interested can apply to the fund with applications being considered twice a year. The maximum award available to one person will be £200. The application form must be completed and submitted by the 1st June or the 1st October for committee consideration. Money will be paid out following approval at the subsequent committee meeting.

Those receiving funds must inform the committee on the final use of the funding and the results of the competition, and to publicise the award and their achievements through the clubs newsletter, and social media, ideally including pictures, to help inspire others!
